

Consortium en foresterie

Gaspésie-Les-Îles

Research & Knowledge Transfer Officer

The Consortium en foresterie Gaspésie-Les-Îles is seeking a motivated and dynamic person to fill the position of Research & Knowledge Transfer Officer, as part of delivering a project of development and optimization of scenarios of integrated management of forest resources in the Gaspé Peninsula.

Job Summary

- Set up, lead, and participate in a reflection committee on the inputs to the scenarios of integrated management of forest resources in the Gaspé Peninsula.
- Gather information on the various inputs to be used for building the scenarios, especially those related to silvicultural practices.
- Develop and optimize the land-use scenarios.
- Draft reports, memoranda, and articles.
- Organize knowledge transfer activities.

Requirements

- Hold a master's degree in forest science or in biology (with a specialty in silviculture). Candidates with a bachelor's degree in this area along with relevant experience will also be considered.
- Being a member of the Ordre des ingénieurs forestiers du Québec would be considered an asset.
- Good abilities to work as part of a team and with collaborators.
- Good knowledge of the ArcGIS software.
- Analytic and writing skills.
- Knowledge of the Gaspé area and its forest land would be considered an asset.
- Functional knowledge of French (spoken and written)

Employment Tenure:

- 24 months with possibility of extension. Starting date: September 20.

Work Location:

- Gaspé

Applications, along with a letter of interest and contact information for two references, are to be received by September 13, 2010 at the following address:

Consortium en foresterie Gaspésie-Les-Îles
37 Rue Chrétien, Suite 26, C.O. Box 5
Gaspé (Quebec) G4X 1E1
Fax: 418-368-0511
